Private Workshop with Disney Cast members - Performers find out what it takes to be an integral member of a cohesive dance cast as they learn techniques to help maximize their rehearsal time and deliver a focused performance. Your Disney teaching artist will begin with a warm-up and your group will learn choreography for a simulated Walt Disney World Resort show audition. Next, your group will learn how the magic is created as they run through a rehearsal of a real Walt Disney World Resort show. The 2-hour workshop culminates in a finale performance incorporating all of the elements they have learned.

Your Disney teaching artist will also share industry insights to give dancers a competitive edge as they:

- Rehearse routines from several Walt Disney World Resort shows to explore different choreography styles
- Examine professional dance from the perspectives of a show director, producer and choreographer
- Learn how to choose the proper attire for an audition and how to stand out from the crowd
